

On page 5, line 28, change "bit count" to --bit rate

On page 6, line 15, change "bit count" to --bit rate--;

On page 6, line 21, change "a high bit count" to --many bits--;

On page 6, line 22, change "code bit count" to --bits are--;

On page 10, lines 13 - 14, change "an excess or a shortage of" to --a bit balance to--;

On page 11, line 19, change "excess or shortage of" to --bit balance to--;

On page 13, line 11, change "excess or shortage of" to --bit balance to--;

On page 19, line 18, change "bit count" to --bit rate--;

On page 19, line 22, change "quantizing width" to --quantization step size--;

On page 19, line 23, change "bit count" to --bit rate--;

On page 19, line 28, change "or the bit count" to --by the bit rate--;

On page 22, line 27, change "Ggop" to --Qgop--;

On page 23, line 24, change "is first initialized to provide" to --first initializes--;
